Welcome to 2013

We hope all of our students and their families had a relaxing holiday and are ready for an exciting year focused on learning.

Thanks to those of you who kept a watchful eye on the school but sadly yet again, over this break fourteen walls, doors and the canteen shutter were graffitied in black and green spray paint. Again, it is unfortunate that the teenagers of Glenorie target our school. If you recognise this tag we would appreciate any information on this senseless vandalism.

We look forward to working with you again this year. If you have any questions throughout the year about policies, procedures, your child’s progress, etc, please feel free to arrange an appointment to see your child’s teacher, a member of the school executive or myself at any time.

Have a great year learning with your child.

We would like to welcome Miss Jana Webb, who is replacing Mrs Smyth on a Year 1 class this year while Mrs Smyth is on leave. Miss Rochelle Derriman will replace Mr Gibbons, who has been appointed to Thornleigh West School. Mrs Kim Whelan will replace Mrs Rose who has been seconded for another year as a Literacy Leader. Mrs Peterson will replace Mrs Stevens also on LSL and Mrs Carol Webb will be with us one day per week in an ESL role. We hope they will enjoy working with the wonderful Glenorie Public School learning community.

Meet the Teacher Evening
On Thursday 14th February we will be hosting a special information evening to outline our school’s directions to you. In addition to this, your child’s classroom teacher will inform you of the work that your child will complete throughout the year, homework expectations, student requirements, and so on. This is an important opportunity for you to find out about specific information regarding your child’s education. The evening is designed to inform parents; we ask that you try to organise appropriate childcare arrangements for your child(ren) if they are not attending the disco (5:30-7:30pm). K-2 ‘Meet the Teacher’ session will be operating from 5:30-6:30pm and the 3-6 ‘Meet the Teacher’ session will operate from 6:30-7:30pm. This will allow parents time to attend more than one child’s session. Thank you for your cooperation in this matter.

The disco is organised by the fundraising committee that night and will be supervised by a parent roster. A sausage sizzle/drinks is also available on the evening to make organising your child’s dinner more convenient. This will free parents up to attend the ‘Meet the Teacher’ sessions.

Swimming Carnival
As many of you would be aware, Tuesday Week 3, 12th February, we will be hosting our school Swimming Carnival at Galston Swimming Pool. The carnival is a school event for all Yr 3 – 6 students, as well as competent Yr 2 (8 yr olds) swimmers. A swimming note has been sent home today (or you may print it off the website), please complete this swimming note and return it to school as soon as possible. We hope you can join in the fun and support all children. Remember: participation is what counts...NOT winning! Any questions can be directed to Ms Hugo.

Text Books and Voluntary Contributions
At the end of last year and in this bulletin we have sent a note home about text books, paper levy and voluntary school contributions note. We encourage you to read the notes carefully and to return the slips and money as soon as possible. Thank you to all the parents that have already paid the text book/paper levy fees and voluntary fees last year. Thanks for your anticipated support.

Peanut Free School
This year we have students who have severe (potentially life threatening) allergies to peanut products. We will inform all of the families in each of their classes about the types of food that should not be brought to school (i.e. products in birthday cakes, etc). However, as a general rule we ask that no child brings peanut products to school (especially nut-based spreads such as peanut butter and nutella). In the interests of the two students’ well-being, thank you for supporting our peanut-free school policy.

New Enrolments
If you know of new families moving into the Glenorie area, please encourage them to contact the school office for enrolment forms. Parents enrolling students will need to present birth certificates, immunization records and proof of residence (e.g. rates notice)

The P&C Working For Your Children
Last year our school P&C worked exceptionally hard to provide additional opportunities for your children. Many of the additional resources ( 33 notebooks, wireless installation, Gymnastic Program, etc) were purchased or subsidised as a direct result of the work of our P&C. A big thank you to Uniform Shop team for opening up the uniform shop to assist our new families to purchase uniforms. Our next P&C Meeting will be held on Tuesday 26th February at 7:30pm (Staffroom). We will be discussing many issues including the directions for the school canteen this year. Please join us and become involved in the planning for your child’s education.

An Exciting Year Ahead
Our school has always been regarded as a school that provides excellent opportunities for students. Last year we achieved many wonderful successes for our school, our students and the community. Thanks to those of you who helped to make a difference in 2012. We look forward to your ongoing support in 2013.

We are very excited about this year. Last Tuesday classroom teachers were busy planning to provide outstanding learning opportunities for your children. We have high expectations at Glenorie Public School...thanks for helping us to realise them.

Galston High School Open Day
Please be advised that Galston High School will be holding their Open Day for Year 5 & 6 students on Wednesday February 20, 2013. Galston High School will be sending further information soon.

Have a great year!

Become involved in your child’s education.

Glenorie P&C
Canteen Update and Survey
In November 2012 Glenorie P&C voted to operate the canteen in 2013 as a voluntary service.

This decision was made by the P&C as a result of an independent assessment that was conducted by the “Healthy Kids Association” stating that the current format with paid staff was not viable. The canteen has made a loss for some years and this has been a concern to the P&C for some time.

The P&C are calling for your help!

We are looking for a team of people to assist with the development of a new look canteen! We understand that having a number of people to work towards getting our canteen up and running again with new ideas will benefit all!

Canteen will begin again when we have the volunteers and support!

In the meantime we are looking for your ideas and views on how our ‘new’ canteen should operate.

Please complete the survey attached and return to school on or before Friday 8th February. We would like all families to participate in this survey. The results from this survey will be used to decide what days our canteen operates and what food will be on the menu this year (with consideration to food guidelines).

Without your support our children will not have this service.

Dear parents and caregivers

The P&C and school have worked together to identify a fair and reasonable voluntary contribution fee to request from families on an annual basis. Each year the Department of Education and Training provides schools with a budget for general operations. Additional fundraising and the collection of Voluntary School Contributions allow schools to purchase items to further support the educational needs of students.

Our school’s global budget is used to purchase and maintain most items that you see within our school (excluding permanent staff members’ salaries). We are responsible for purchasing books, pencils, games, computer software, toilet paper, … virtually everything. The additional funds collected will allow us to purchase more equipment, books, maths games, computers, … for YOUR child.

Many local schools charge high amounts for school contributions. Our goal is to keep the amount affordable to ensure all families can contribute.

The P&C has endorsed the following voluntary contribution structure:

<table>
<thead>
<tr>
<th>Child</th>
<th>Voluntary Contribution</th>
</tr>
</thead>
<tbody>
<tr>
<td>1st Child</td>
<td>$60.00</td>
</tr>
<tr>
<td>2nd Child</td>
<td>$40.00</td>
</tr>
<tr>
<td>3rd Child</td>
<td>$20.00</td>
</tr>
<tr>
<td>Additional Children</td>
<td>No Payment</td>
</tr>
</tbody>
</table>

It would be greatly appreciated if you could assist the school to purchase additional resources that your child will use by paying the suggested contribution before:

**Friday 8th February 2013**

If you choose to pay the voluntary fees now for next year, please pay at the school office.

Thanks for your support. If you would like to contribute above and beyond the suggested schedule, any additional amount would be greatly appreciated.

Dear parents and caregivers,

This year our students will again be using textbooks (except Kindergarten) and school magazines to support their learning and for homework. Class teachers worked together to identify the most appropriate texts for each class (stage) each year (ear bud headphones will be purchased for each kindergarten student to use in the computer lab and passed on every year). The following is a list of the texts that your child will use in 2013. Texts will be used from early Term One. It would be greatly appreciated if you purchase your child’s textbook package by Week 3 Term 1, or payment can be made any time this term.

In addition to the textbooks, teachers will also be photocopying subject related worksheets for your child’s education. As you could imagine, schools are required to spend a lot of money on paper. To support your child’s learning (and to allow the school to allocate additional money to buying books, sporting equipment, computer resources, etc), we ask that you pay a paper levy per child to go directly towards buying paper. We thank you for your cooperation in this matter.

We request full payment in one lump sum.
We apologise if this causes you any inconvenience.
