Well Done Boys and Girls

It is terrific that all students from K-6 are working so diligently in class. As expected, everyone is working hard to learn in all key learning areas (English, Mathematics, Creative Arts, Personal Development/Health/Physical Education, Science & Technology and Human Society and Its Environment). A wonderful start to Term Two.

NAPLAN Testing

National Assessment Program Literacy and Numeracy testing will take place on Tuesday 13th, Wednesday 14th and Thursday 15th May. Every year, all students in Years 3, 5, 7 and 9 are assessed on the same days using national tests in reading, writing, language conventions (spelling, grammar and punctuation) and numeracy. The results help determine if students are reaching important educational outcomes. More information: www.nap.edu.au

Mother’s Day Guessing Competition

The guessing competition will be drawn on Friday at assembly. Please return all sold & unsold tickets to by Friday morning. The student that sells the most raffle tickets will receive a wonderful ARBONNE makeup brush wallet valued at $50. All money raised will go to the Year 6 Farewell. Good Luck!

Cross Country Carnival

Please be informed that our school Cross Country Carnival will be held tomorrow. All students in Yrs K–6 will compete. Thanks to Mrs Black for coordinating what we are sure will be a great day!

Grandparents’ Day

This year Grandparents’ Day will be held in Week 3 of Term 3. Our Grandparents’ Day will be held on Wednesday 30th July. Book those flights.

Crossing & Car Park Safety

I have mentioned in previous bulletins about the parking and dropping off of your child/children. Double parking and reckless driving endangers the lives of our students. Parents who drop their children off at the entrance to the staff car park are endangering other students’ lives as they then reverse out and do not realise that students are crossing behind them. We do not want an injury that may result in death, like that which has recently happened at another school.

IF A SMALL CHILD HAD BEEN WALKING BEHIND THAT REVERSING CAR, THE DRIVER WOULD NOT HAVE SEEN HIM HER AND THE CONSEQUENCES COULD HAVE BEEN TRAGIC!

Road Safety

(Please Read This Info)

In the interests of student safety, please be careful when parking in the Glenorie car park. Please observe the signs on Old Northern Rd and Tecoma Dr… the speed limit is 40km/h. Thank you.

Again, we ask that you consider the following to ensure our students (your children) are safe whilst walking near the road and to school:

• Ensure your child does not weave in between parked cars stay behind the taped walkways.
• DO NOT park in the preschool car park or double park in the Glenorie Park car park (at the side of the school).
• Please ensure that your child (and you) cross the road at the crossing (lights on Old Northern Rd and wombat crossing on Tecoma Dr – at the rear of the school).
• The “Drop Off” area in front of the school is a No Parking zone. Do Not drop off in the staff car park.
• The preschool car park is for the parents of the preschool children only.

Thank you for your cooperation in this matter.
