Reminder - OC Class
The Opportunity Class Placement Test in 2014 for placement in Year 5 in 2015 will take place on Wednesday, 23rd July 2014. Parents will be able to apply online for opportunity class placement from 2nd May 2014 to 18th May 2014. The parents’ online portal will be available only between those dates. It will be accessed from: http://www.schools.nsw.edu.au/ocplacement

Anglicare Community Food Drive
District Anglican churches are again conducting their community food drive. Glenorie Public School has always supported this wonderful charity and we are hoping to have the same fantastic response as we did last year. Drop any in date food items at the school office from the 22nd May until 13th June. Thank you, they really appreciate our generosity.

Mother’s Day Stall
We would like to offer a sincere thank you to the fundraising committee – Mrs Harvey-Shore & Mrs Marsden for organising our recent Mother’s Day stall. Not only did the team provide a wonderful service for our children, they also raised $400 to go towards improving the educational opportunities for all students. Thanks again P&C fundraising crew.

Cross Country
Congratulations to the 40 students who will be attending the Beecroft Zone Cross Country Carnival next Wednesday. Thank you to Mrs Black for an extremely successful cross country carnival held last Friday. Mrs Black, Mrs Perry and parent helpers will be attending the Zone next week to cheer our students on.

Country Fair
The Country Fair is well under way. We need some volunteers to run the chocolate wheel and the hoopla. Can you get a few friends together and run one of these stalls for us? The prizes are all organised you just have to roster a few people for the day. If so, ring Riaan van der Merwe on 0479091487.

Happy Holidays Mrs Perry
Mrs Perry will be on leave from 30th May until 11th June; Mrs Peterson will be working with K/1P during that time. Mrs Sawyer will be relieving Assistant Principal in Mrs Perry’s absence. Any enquiries in relation to K-2 please contact Mrs Sawyer. I will also be on leave until 30th May. Mrs Perry will be relieving Principal in my absence and Mrs Peterson will be working with K/1P for the two
weeks to continue Mrs Perry’s teaching and learning program.

Mental Maths Strategies
We teach children a range of different strategies to add and subtract numbers. By showing them several methods for solving maths questions, we’re helping them to look for patterns. All this builds a good sense of “number” which means they understand the relationships between different numbers and why different ways to add and subtract work well. The goal is that your child will understand many ways to approach a maths problem and will be able to choose a way that makes the most sense to them. School A to Z has a lot of resources, including help sheets on mental maths strategies, here: www.bit.ly/JkiUsY

Become involved in your child’s education.

Enjoy learning!
