The Giulia Lo Grasso Memorial
We are finalising the dates for the Memorial Day to be held for Mrs Lo Grasso in the next few weeks. Each class will plant an olive tree for Mrs Lo Grasso each side of the path from the Glenorie Park entrance and a sandstone pillar and plaque will also be erected. Thank you to the generosity of Mark Engall from Engall’s Nursery for donating the nine olive trees that each class will plant. We appreciate your support.

Lost Property
As winter is now here, we ask all parents to please make an attempt to collect items from the lost property bin (office). Any unclaimed items will be washed and re-sold as second hand clothing (or donated to charity/thrown in the bin). All uniforms with student’s name in them will be returned to them.

Kinder Enrolments
We are currently taking new enrolments for Kindergarten 2015. If you have a child starting Kinder next year, please see the front office for an enrolment package. We will need to see an original birth certificate and immunisation records. If you have a family you know who has a kindergarten child for next year, please talk to them about what our school offers and ask them to contact the office for a tour and/or to collect an enrolment package. Thanks.

Public Speaking
Good luck to Tane Bidois, Toby Rowe, Shawn Welschinger and Jessica Dula who will be competing in the Multicultural Perspectives Public Speaking Competition on 17 June at Hornsby South Public School. All of the students were successful in the school finals conducted last term.

Too Sick For School?
As the cold weather hits, so do the winter bugs. It’s often hard to know whether to send your child to school or let them stay home to recover, especially when that means an adult cancelling work. For safety’s sake, if your child seems unwell you should always keep them home from school and seek medical advice. School A to Z and the NSW Health have created an at-a-glance chart to help answer your questions about common childhood illness and how long sick kids need to miss school. Find it by typing this link into your web browser www.bit.ly/1hytn2E

Mental Maths Strategies
We teach children a range of different strategies to add and subtract numbers. By showing them several methods for solving maths questions, we’re helping them to look for patterns. All this builds a good sense of “number” which means they understand the relationships between different numbers and why different ways to add and subtract work well. The goal is that your child will understand many ways to approach a maths problem and will be able to choose a way that makes the most sense to them. School A to Z has a lot of resources, including help sheets on mental maths strategies, here: www.bit.ly/JkiUsY

Become involved in your child’s education.
Enjoy learning!
Lyn Pearce
Principal

Remember...we are all on the “same side” ~ to ensure your children have the best opportunities to maximise their learning potential. Please send back your interview preferences as soon as possible to assure your preferred time.
Soccer Champions!!
A big well done to Ben Stringer and Harry Devaney of 1/2K for winning their soccer gala day for Hills Hawks U7's!! Their team played a total of 5 games of soccer and they won every game! Well done boys!

Mrs Devaney

2014 NSW Primary Schools Table Tennis Championships
Last Monday, Jason Thomson and Matthew Catania competed in the 2014 NSW Primary Schools Table Tennis Championships at Olympic Park.

There were approx. 150 competitors from schools all over the Sydney area. Both boys played really well but were knocked out of the main competition. They then played in the knock-out round-robin.

Matthew made it to the semi-finals and Jason made it to the grand-finals coming runner-up, winning 2-1.

Well done boys!

Janine Thomson

DRIVER CHANGES FOR SCHOOL SERVICES COMMENCING 2 JUNE 2014

Dear Principal

Due to the reorganisation of many school services between our 4 depots many of our drivers will change.

We are asking for all students to please be advised to signal the drivers as this will assist the drivers in identifying students requiring his/her service.

We would appreciate if this information can be distributed to the affected students this week. Your assistance in ensuring that students receive this information is greatly appreciated.

Should you have any questions regarding this you can call our Customer Service Department on 8889 7000 or visit our web site at www.cdcbus.com.au for up to date details of all school special services.

Kind Regards

Keri Spina
