Congratulations to Glenorie Public School
Glenorie Public school is so pleased to announce that Eloise Norton, Jai Wearn and Imogen Norton have received scholarships to Galston High School for 2015 for Academic, Mathematics and English.

Enrolments
Enrolments are now being processed for 2015. We have already a huge number of new enrolments for next year. If you have children who are due to start Kinder in 2015, please enrol them before the end of this term. If you have already picked up your enrolment forms could you please return your completed applications so we can put them in the system? Thanks.

School Disco
Thanks to the fund raising committee for organising what will be a fantastic disco tonight (5:30 – 7:30 pm K-6). OOOOOohhhhhh!

Field Athletics Carnival
Congratulations to all students who strived to achieve their best at our Field Athletics last week. All the students that qualified for the finals competed in long jump, high jump and shot put to achieve outstanding results. Congratulations to all the students going onto the zone carnival on Wednesday 20th August at Greenway Park, Cherrybrook.

Gold, Silver & Ribbon Assembly
This Friday, we are hosting our Gold & Silver Assembly and will also present the Athletics ribbons. Parents and friends are invited to this assembly, as we acknowledge the achievements and efforts of our students.

Flu Season is here!
Influenza is spread from person-to-person through the coughing or sneezing of infected people. Remind your child about these good hygiene practices to minimise the spread of infection:

- Anyone who is sick with influenza symptoms should stay home until their symptoms are gone.
- Cover the nose and mouth with a tissue when coughing or sneezing. Throw the tissue in the garbage bin after use.
- Wash hands often with soap and water, especially after coughing or sneezing. Alcohol-based hands cleaners are also effective.
- Avoid touching eyes, nose or mouth. Germs spread that way.

If you or your child develops influenza-like illness, seek the advice of your family doctor as you would with any other illness.

The seasonal influenza vaccine, which protects against the pandemic influenza strain as well as two other influenza strains, is now available free to eligible people. More information about the vaccine is available from the NSW Health Immunisation Unit's vaccination page.

Previous vaccination with the pandemic influenza vaccine, Panvax® is not a barrier to also receiving the seasonal influenza vaccine.
**Messages for Students**

We understand emergencies do arise and messages will need to be delivered to your children. Please understand that leaving it until after 3:15pm makes it very difficult for our staff to ensure your message is delivered. It is preferable to contact the school before 3pm where possible. Thank you.

The Great Aussie Bush Camp

Stage 3

Yes! We are back from our amazing Aussie Bush Camp experience. Mrs Black, Mrs Bellamy and Miss Pavett spent four days with the wonderful Stage 3 Glenorie students. Not only did we see extreme physical determination but we witnessed mental focus and teamwork that went above and beyond belief. Students pushed themselves way past their limitations and achieved courageous things.

Some of the cool activities were; rock climbing, bush craft, archery, raft building, lost island, initiative games, flying fox, orienteering, high ropes, giant swing, night time commando and Trivia Night just to name a few! These activities are designed for team building, communication, cooperative learning, listening skills, tolerance, strategic thinking and problem solving. Whilst participating in the activities, students engaged in all this learning by having fun.

The teachers were very well looked after to say the least and we thank the Aussie Bush Camp staff for looking after our school group.

On the fourth day, we packed up and headed for Mountain Maid (gold mining town) in Copeland. We were very fortunate to be guided around a beautiful rainforest which had embedded amongst the trees a historical gold mine. The students and teachers learnt a great deal about the gold rush and the significance of this profitable gold mining mountain. Thank you to the State Forest Commission for our educational guide.

**A Quick Snapshot View on Interest Rates**

The Reserve Bank of Australia (RBA) announced last week that it would leave interest rates at 2.50 percent for a twelfth straight month and continue the longest and lowest period of rate stability in decades.

Despite a full year of rate inactivity from the RBA, lenders are lowering the interest rates on their products and competing heavily for customers. Loan Market director Mark De Martino, said fixed rate products were seeing the biggest drops with more than a dozen lenders making significant changes to three, four and five year fixed terms. This means you may be able to renegotiate your loan — to your advantage!
