Guessing Competition

Many parents are currently selling guessing competition tickets…thanks. Please return all raffle tickets (sold or unsold) to school ASAP. The raffle will be drawn at 3:00pm on Sunday at the Country Fair. All money raised will benefit your child.

Congratulations to Glenorie Public School

Glenorie Public school is so pleased to announce that Nathan Fox has received an academic scholarship to Galston High School for 2015. Congratulations Nathan.

Fundraising News

We hope all the dads, granddads andpas enjoy opening their Father’s Day gifts on Sunday. The children certainly enjoyed selecting them for you today.

Once again, I would like to thank Mrs Marsden & Mrs Harvey-Shore for their wonderful help organising this event for the children. They’re simply wonderful.

Music Stars

Music Stars have been running group music tuition at Glenorie Public school over the last term after school on a Tuesday. We have found them a difficult company to deal with and have found another company that provides exactly the same service as Music Stars at the same cost. We have changed over to Cool Kids Music Company from the beginning of next term and have attached an expression of interest in this week’s Bulletin. If you were dealing with Music Stars and wish to continue your child’s lessons but with Cool Kids Music Company, please fill out the expression of interest and hand it in at the office. If you are interested in your child starting lessons for the first time, just fill in the form and pop it in at the office. When we have collected all the expressions of interest, we will advise you of their starting date for next term. Sorry for any inconvenience.

Premier’s Reading Challenge

Congratulations to all of the students who have successfully completed the Premier’s Reading Challenge. Approximately 220 children reached their targets…well done! Those students that reached their target will celebrate with a movie day. K-2 will be held on Thursday 11th September and 3-6 will be held on Thursday 18th September.
Upcoming Dance Performances
The junior dance group will be performing at 11:30am under the COLA at the Country Fair on Sunday 14th September.

Eliza-Jane’s School of dance will also be performing at 12:00pm.

Field Athletics Carnival
Congratulations to all the students who went to the Zone Field Carnival yesterday at Greenway Park, Cherrybrook. Congratulations to Neo Tschepen who came 3rd in 13 Year Girls 100m, Jordan Russell who came 3rd in Senior Boys High Jump and Benjamin Black who came 3rd in 11 Year Boys 800m. Neo will be going to the Sydney North Area Carnival next Monday for the 13 Year 100m. Good luck!
Remember, being a good sport is just as important as being a successful sportsperson and Glenorie students do this extremely well. Thanks to all the parents for turning up yesterday and cheering them on and to Kelly Marsden for transporting the tent and tarps for an early set up. Thank you to Mrs Black for helping manage the Glenorie team and to Mrs Pearce for helping out as an Official.

Cake Stall Donations
A plate with instructions went home today requesting donations of cakes for our Cake Stall at the Country Fair. Please make something yummy for us to sell on the day. Thank you – let’s have the best cake stall ever!

Happy Fathers’ Day
We would like to wish all of our dads a wonderful day on Sunday 7th September. It is a day where you can relax, read the morning paper, potter in the garden, perhaps have a round of golf or go fishing (the things you don’t normally get to do because you are far too busy organising the family and household). Have a happy day!

CONGRATULATIONS DEBATERS

Well done to the ten children who participated in the Year 5 and 6 Premiers Debating Challenge for 2014. All debates have now been completed. The children did a fantastic job representing the school throughout the year. When participating in the debates the children only have one hour beforehand to prepare for their argument. All children spoke confidently and I look forward to some informal debating within school. Well done debaters! Certificates for the participants will be presented at this Friday’s assembly.

Congratulations to the three Glenorie students that entered the Board of Studies ‘Write On’ competition. Joshua Lawton, Justin Lin and Audrey Lin all composed fabulous, engaging narratives using this picture as inspiration. Over the next few weeks their writing pieces will be published in our school newsletter for your enjoyment.

The Boys the Rainforest Kingdom and the Desert Kingdom (Part One)

There was a boy named josh. He lived in a kingdom where there were high walls so it was protected. One day Josh decided to go out on an adventure with his friends. There was a rainforest on each side of the kingdom. He left home. He told them to meet at the gates at the north part of the kingdom. There were gates in the high walls so they could get through to outside of the kingdom. They got outside and it looked beautiful. So they started walking into the rainforest. They packed everything they needed and Josh took the binoculars and kept going. 5 minutes later Josh looked through the binoculars and found a desert. Then Josh decided to make a map and put the desert on the map. So that’s what they did. They then decided to go back for the day because it was 7:00 P.M. The next day they went back to the desert and decided to explore. They went on and it was really hot so they all had a drink. They ran out of water and went back. They got more supplies and set off again. They went back and explored the desert again. They were looking for things for a while and found a temple. They explored it and found a few treasure chests. There were gold coins and other treasures in it. Josh said it would be too hard to carry it all the way back to the kingdom. But they found another map in there. They thought about using that map and looking for the treasure that was on the map. It was late and went home again for the day. The next day they went back to the temple and followed the map they found. They were walking around for a while when they found another kingdom in the middle of the desert. They set up a mini camp in the desert. They decided to go back home and told their parents about the other kingdom in the desert. Their parents told them to never go there again because it was dangerous. Josh and his friends ignored them and left the next morning. When they got to their camp site everything was gone. They all wondered where it went and thought that someone had caught them. Then they wondered that the people from the desert kingdom took everything. So they went to the desert kingdom to ask for their stuff back. First thing that came to Josh’s mind is that it could be different. The reason why was because there were guards at the gates. They asked for their things back when the guards at the entrance asked what kingdom they were from. Josh told the guards the were from the kingdom surrounded by rainforest they took them and put them in jail cells…..

Selling a property is a business transaction!

Consider these aspects...

Temperature
Upon inspection, if a property is too hot or too cold, your buyers will bristle. Uncomfortability does invite questions – does the heating or cooling work as it should? With such high ceilings, is it expensive to heat? Buyers get turned off if they can’t experience your home at its optimal comfort levels.

No Advertised Price
Fewer things will frustrate a buyer more than looking at an advertised property with no price. It’s a big complaint from website users if agents haven’t included at least an indicative cost. Your listing is usually the first time your possible buyer will see your home. If the required detail isn’t there, it’ll have be something truly unique to get them to dig deeper. Budget is all important for a buyer.
If your property advertising doesn’t at least have a range listed, it’s a top turn-off for buyers. Help them marry their budget to your property!
