Winter Uniforms

We would like to remind all parents that students may wear winter uniforms from the beginning of next term. Whilst classrooms are heated, the playground can be cold. It is important that you send a labelled jumper/jacket to school on a daily basis.

ANZAC Day

Our school will be recognising ANZAC Day by holding a school service at 10:45am on the first Thursday that the students return next term. Again this year we would like to make floral wreaths as part of our commemoration. We would like all families (if possible) to send some flowers to go towards the making of the wreaths. SRC students that have gymnastics on 23rd April will have to bring their sports uniform to change into on the day. Please feel free to attend this special assembly at 10:45am to join the staff and students in remembering our country’s ANZACs. A big thank you to Miss Pavett for organising the ceremony this year.

Pens…Pencils…Erasers…

Earlier this year we sent home a stationery list suggesting the items that your child would need to complete class work this year. Some children have been “very active” with their stationery and supplies are depleting. Please check your child’s pencil case and restock it if new pencils, pens, erasers, rulers, glue sticks, etc are needed. Thanks for your support.

Lost Property

AAAAAAAAAAAAAHHHHHHHHHHHH!
The lost property tub is still OVER FLOWING. If your child has lost any item of clothing, lunch boxes or drink bottles this term, please check the tub. Any items unclaimed will be thrown away or donated to uniform shop next term. Don’t forget to put your child’s name on their belongings so we can return them, we have several unnamed items in the tub...

The Dreaded Lice Epidemic
Mention head lice and most of us instantly develop an itch. While head lice and nits, (the eggs of head lice) are certainly annoying and persistent, they're not dangerous. Here’s everything you need to know to rid your kids of head lice and nits. School Development Day
Each year the Department of Education and Communities provides schools with five professional learning (school development) days. On Monday 20th April all teachers and support staff at Glenorie will be undergoing training to further improve our collective teaching skills in relation to Well-being. As the days are designed for staff development, no supervision will be provided for students. You will be responsible for the care and safety of your child on the day. All students should therefore return to school on Tuesday 21st April.

GYMNASTICS STARTS THE FIRST WEEK BACK AFTER THE HOLIDAYS. All students will be participating in this program. If you have not paid for gymnastics, could you please pay by tomorrow? A timetable is included in this week’s Bulletin.
