Kinder Enrolments
We are currently taking new enrolments for Kindergarten 2016. If you have a child starting Kinder next year, please see the front office for an enrolment application. We will need to see an original birth certificate and immunisation records. If you have a family you know who has a kindergarten child for next year, please talk to them about what our school offers and ask them to contact the office for a tour and/or to collect an enrolment application. Thanks.

Anglicare Community Food Drive
Glenorie Public School is supporting the Anglicare Food Drive and it is hard for us to imagine not having a warm meal every day in winter. So we would like to assist families less fortunate than ours. Drop any in date food items at the office over the next two weeks and your child will receive 50 house points for their sports house that week. Thank you.

Parent Teacher Interview
Today you will receive a parent teacher interview note for your child/children. These interviews will be conducted from Monday 22nd – Thursday 25th of June. Please be sure to complete and return the note promptly to secure your interview with your child’s teacher. If you cannot meet the teacher in person, there is a telephone option available.

Public Speaking
Good luck to Shawn Welschinger, Semra Evirgen, Noah Everett and Holly Harmon who will be competing in the Multicultural Perspectives Public Speaking Competition on 15th June at Cherrybrook Public School. All of the students were successful in the school finals conducted last term.

P&C Meeting
Last Tuesday evening the P&C met to discuss the many aspects of the P&C and your child’s educational needs. They decided to support the schools’ home reading scheme by purchasing $500 of home readers. Thank you so much, we appreciate the support.

Parent Information Evening – “Teaching your Child to Read”
We will be hosting our second Parent Information Evening on Wednesday 10th June. The focus for the workshop will be related to reading and comprehension. We will address such issues as:

- Showing you reading strategies to use at home.
- Strategies associated with Super Six comprehension.
- Aspects of comprehension.

An information sheet will be sent home in the weeks ahead.

Mental maths strategies
We teach children a range of different strategies to add and subtract numbers. By showing them several methods for solving maths questions, we’re helping them to look for patterns. All this builds a good sense of “number” which means they understand the relationships between different numbers and why different ways to add and subtract work well. The goal is that your child will understand many ways to approach a maths problem and will be able to choose a way that makes the most sense to them. School A to Z has a lot of resources, including help sheets on mental maths strategies, here: www.bit.ly/JkiUsY

REMINDER: We are having a “waste free lunch” next Thursday so please pack lunches and drinks in reusable containers. Thank you.

Become involved in your child’s education.

Enjoy learning!

School Banking Program
We now have 90 students involved in the school banking program. If any student is still interested in getting involved all you need is a Commonwealth Bank Youthsaver account and you can start saving. Just a reminder to have your bank deposit slip correctly completed.

P&C Message
We are always grateful to the community that supports Glenorie Public School, during the year the following fundraisers are planned and your continual support is appreciated:
* Chocolate drive
* Athletics Carnival BBQ
* Father’s Day stall
* School banking program
In 2016 we will once again hold our school Country Fair.
The money raised from these fundraisers directly supports our children and the resources of Glenorie Public School. Already in 2015 there are a number of new eBoards installed within the school, the hall has new curtains for the stage, Mathletics program has been paid for all children to access, new home readers will be purchased for K-2 over the next few weeks to prompt home reading and the gymnastics program was subsidised this term. These are just a number of examples of how your support benefits the school, so a big thank you.

If any parents have any ideas or suggestions you are welcome to attend our monthly P&C meeting or contact a P&C committee member to discuss your views

Too sick for school?
As the cold weather hits, so do the winter bugs. It’s often hard to know whether to send your child to school or let them stay home to recover, especially when that means an adult cancelling work. For safety’s sake, if your child seems unwell you should always keep them home from school and seek medical advice. School A to Z and the NSW Health have created an at-a-glance chart to help answer your questions about common childhood illness and how long sick kids need to miss school. Find it by typing this link into your web browser; www.bit.ly/1hytn2E

Goshin Karate-do Galston

Goshin Karate-do is one of the very few schools in Australia that teach the traditional form of karate as self-perservation and personal development. It does not participate in tournaments.

Training is structured for students to learn quality defence techniques, while getting fitness for both the mind and body. The teaching centres on human and community values.

The lessons are also aimed at children (6 years and older) to promote fitness, agility, focus and right-conduct whilst having fun doing it.

The evening mixed (Seniors and Juniors) classes provide the chance for family members to enjoy the training together in a friendly and positive environment.

Training at the Galston dojo (at the Galston Community Centre, 37 Arcadia Road) kicks off on 3rd of June at 6.30pm. Classes on Mondays and Wednesdays, 6.30 – 7.30PM.

AUSTRALIA’S BIGGEST MORNING TEA

I’m sure we have all been touched by cancer in one way or another, so we would like to get the community together to come and join us in a morning tea at Glenorie Public School.

We will also have a few raffles on the day. We would love it if everyone could bring a small plate of morning tea and we will supply tea, coffee and juice.

Australia’s Biggest Morning Tea is an opportunity for friends, family or workmates to come together, share a cuppa and some delicious food and help those affected by cancer.

While the official date for this year’s Australia’s Biggest Morning Tea is Thursday 28th May, we will be running this morning tea on Monday 15th June. We will be holding the morning tea here at Glenorie Public School with a starting time of 10:30am.

The funds raised from this event help the Caner Council save lives through early detection and treatment of cancer. Every donation counts.

Please come and join us and help make a difference to the many people affected by cancer.

The hosts of our Morning Tea are -

Marcia Pratt – Glenorie Hair Design
Laura Waltisbuhl – Laura Jane Hair
Trish Higson – 2157 Fine Gifts
Allison Bibbing – Sweet Pea
Kirsty Louise – Back on Track Chiropractic

Park legally in school zones

No Parking

- Drivers may stop in this zone to drop off or pick up passengers or goods for a maximum of 3 minutes.
- The driver must remain in or within 3 metres of the vehicle at all times.
- The vehicle must not be left unattended.
- If times of operation are shown on the sign, the restriction only applies during the times shown.
- No Parking zones can also be used to drop off and pick up children.

No Stopping

- Stopping is not permitted at any time.
- If times of operation are shown on the sign, the restriction only applies during the times shown.

Penalties exceed $165 plus 2 demerit points.

Bus Zones

- Drivers are not permitted to stop within a bus zone at any time.
- If times of operation are shown on the sign, the restriction only applies during the times shown.

Penalties exceed $165 plus 2 demerit points.

Double Parking

- Drivers are not permitted to stop or park between the centre of the road and another vehicle that is parked at the side of the road.
- Double parking decreases visibility for motorists and pedestrians, and significantly reduces road safety around schools.
