Sound advice on sleep
Did you know it’s recommended that school-aged children get 10-11 hours sleep each night? For tips on how to make sure your child gets a good night’s sleep go to:

Become involved in your child’s education.

Running Late?
If your child attends school after the 9:30am bell you need to take them to the office and you will need to complete a partial absence note. This note must then be handed to the classroom teacher. If
a partial absence is not completed they will be marked absent for the whole day.

**Premier's Debating Challenge**

On Monday 10th August our Glenorie Golds debating team won their fourth and final debate against Normanhurst Public in the initial zone rounds. This means that Glenorie Golds will be progressing on to the Regional Finals as they finished first in their zone out of a total of four schools. This is a great achievement for our debaters as they have worked very hard in practicing and preparing their weekly in class debates to refine their skills. Congratulations to all debaters for this result. It was a collective effort in creating a quality standard that afforded us this great result.
