The Partners in Learning parent feedback survey

Our school is participating in the Partners in Learning parent survey, another part of the Tell Them From Me suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement. Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online at home or on public computers. The survey will typically takes 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 17 August and 16 October. Participating in the survey is entirely voluntary; however, your responses are very much appreciated.

Congratulations to Glenorie Public School
Glenorie Public school is so pleased to announce that Felicity Whiteman, Emma Johnson, Tahlia Cowan, Matthew Catania and Jayden Bray, have gained a place in the Galston High School Year 7 Extension Class for 2016. Congratulations to those students.
**Fundraising News**
We hope all the dads, granddads andpas enjoy opening their Father’s Day gifts on Sunday. The children certainly enjoyed selecting them for you today.
Once again, I would like to thank Mrs Finnegan, Mrs Marsden and Mrs Harvey-Shore for their wonderful help organising this event for the children. They’re simply wonderful.

**Enrolment Trends**
Interestingly, 2 of our families will be leaving us next year. Also of interest, we have had families joining our community from other suburbs. If your family is planning on moving out of the area and the result will mean that your child will not be with us in 2016, would you please inform the office in writing ASAP…we are starting to plan for next year. Please encourage any new families which move into your street to contact the school for an enrolment package and/or an interview with Mrs Pearce. Thanks.

**Happy Father’s Day**
We would like to wish all of our dads a wonderful day this Sunday. It is a day where you can relax, read the morning paper, potter in the garden, perhaps have a round of golf or go fishing (the things you don’t normally get to do because you are far too busy organising the family and household). Have a happy day!

*Become involved in your child’s education.*
Enjoy learning!

Dear friends,

This week Ashton Fisher of 3H is participating in Step-a-thon to raise funds for seriously ill babies and children who are being assisted by the researchers at the Murdoch Children’s Research Institute. Today the health of our children is challenged by issues such as obesity, cancer, allergies, diabetes and depression. Through Step-a-thon Ashton is learning that there are many children in our own community experiencing serious illness. Ashton has been inspired by how medical research can help - and hopes you will be too. Please join us, and help Ashton make a difference.

Please donate today at https://stepathon.everydayhero.com/au/Ashton-9

Thank you in advance for your generosity, it means a lot.

Walk for William
William Tyrrell disappeared from Kendall NSW On the 12th of September 2014.

#walk4william

On Saturday the 12th of September at 10.30am there will be “Walks 4 William” held all over the World.

The National Walk 4 William Day was created from the hearts of many who wanted to bring a voice & awareness to little William disappearance in the hope that this will help bring little William home. William story needs to be brought to the front of the mind of every Australian and everywhere across the world. We need your help to do this. Never across the world have people come together to send a clear message about a missing child. #walk4william

At 10.30 am, on the anniversary of Williams disappearance 12th September 2015, we would like you to grab your family, friends, colleagues, neighbors to form a group of two or more and either dress up as Spider-man (as this was Williams favorite superhero) or wear blue and red for William and together let’s give little William a voice and try and bring him home.

Together we CAN & WILL bring awareness to little Williams disappearance. In hope that a memory is jogged, someone who knows something comes forward and contacts Crimestoppers on 1800 333 000 no matter how big or small that memory is.
