The Partners in Learning parent feedback survey
The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement. We really need parents to take part in this survey. At present, only 6% of our parents have completed the survey. Running this survey will help our school understand parents’ and carers’ perspectives on their child’s experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online at home or on public computers. The survey will typically takes 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 17 August and 16 October. Participating in the survey is entirely voluntary; however, your responses are very much appreciated.

A Huge Thank You
Tahila Cowan & Jessica Galea would like to thank the P & C Committee, Mrs Pearce and all the students for the support to help us proceed onto the next level with our horse riding. We ended up raising $2100 altogether so $1050 for each family, this covered most of the cost to go to Nationals. We are very thankful for our amazing P & C Committee who donated $500 to each family. We are also very thankful that we have this amazing school that helped us raise this great amount of money. We would also like to thank Simone Cowan and her staff for cooking the students some delicious food!

Tell Them From Me: Partners in Learning survey

You’re invited to participate in the Tell Them From Me (TTFM) Partners in Learning survey designed for parents and carers. This survey complements the TTFM student and teacher surveys, which focus on student engagement, wellbeing and effective teaching practices. All Department of Education schools have the opportunity to participate if they choose.

Why should I participate?
Parents and carers are an important and valued part of the school community. Schools can use survey feedback to make practical improvements and inform school planning.

What does it involve?
This online survey takes about 15 minutes to complete. It is anonymous and voluntary. If you have more than one child at this school, and feel that your children’s experiences differ, you can complete the survey more than once.

How can I participate?
You can access the survey in your own time, between 17 August and 16 October 2015. Follow the link below on your computer or tablet:

1. Login in: https://nsw.tellthemfromme.com

Walk for William

William Tyrrell disappeared from Kendall NSW On the 12th of September 2014.

#walk4william

On Saturday the 12th of September at 10.30am there will be “Walks 4 William” held all over the World.

The National Walk 4 William Day was created from the heart of many who wanted to bring a voice & awareness to little William’s disappearance in the hope that this will help bring little William home. William’s story needs to be brought to the front of the mind of every Australian and everywhere across the world. We need your help to do this. Never across the world have people come together to send a clear message about a missing child. Remember him.

At 10.30 am on the anniversary of William’s disappearance 12th September 2015, we would like you to grab your family, friends, colleagues, neighbors to form a group of two or more and either dress up as Spiderman (as this was William’s favorite superhero) or wear blue and red for William and together let’s give little William a voice and try and bring him home.

Together we CAN & WILL bring awareness to little William’s disappearance: In hope that a memory is jogged, someone who knows something comes forward and contacts Crimestoppers on 1800 333 000 no matter how big or small that memory is.
