A Great Start to the Year
The students have all started working and are firmly engaged in teaching and learning programs. Thanks to you, our parents and caregivers, for supporting your child’s start to school. Rest assured, it is normal for some children to feel a little “upset” at the beginning of a school year (especially if they learnt to really love their last year’s teacher and the friends in that class). It doesn’t take long for kids to adapt to change and learn to love their new classmates and teacher.

We certainly hope that you will be active in supporting your child and his/her teacher throughout the year. Our goal is for all students to be happy, active learners and caring citizens: we need you to help us realise our goal.

Welcome to our Kindergarten Students
Last Friday we welcomed our 32 new kinder children for 2016. All of our new friends arrived with crisp new uniforms, shiny new shoes and big smiling faces. Although we had some tears, the children reassured their parents that big school is a great place and that mums and dads didn’t need to cry!! Our buddies did a great job making them feel at home.

Working with Children Check
Any adult volunteer in the school who has direct contact with children must complete a Declaration for Volunteers form at the office and produce proof of identity that meets the 100-point check. If you have completed this form in previous years this stays on file for your child’s primary school years and you do not have to complete it again. Only new volunteers are required to complete this paperwork.

Text Books Note
Just a reminder, that text book money is due by Friday of this week (5th February). This will enable us to issue all text books to students by the following week. We appreciate your cooperation.

Swimming Carnival
This year’s Yr 3-6 Swimming Carnival (Year 2 turning 8 this year only) is scheduled for next Tuesday, 9th February. It is bound to be a great day for our children. Just a reminder that the carnival will be held at Galston Pool. Swimming notes and money should have been returned this week. Non-participants still need to attend to support their House. Thanks to Mr Gomalle for coordinating what we are sure will be a great day. We hope you can join in the fun.
Whooping cough information for schools

There is an outbreak of whooping cough (pertussis) in NSW, mainly affecting school-aged children. Glenorie Public School has had a case of whooping cough this year.

Coughing spreads the infection to others nearby. Whooping cough can spread to anyone at home, including younger brothers and sisters. Whooping cough can be especially dangerous for babies. Whooping cough starts like a cold and progresses to bouts of coughing that can last for many weeks. The infection can occur even in fully-vaccinated children. Older children may just have a cough that is persistent and may be worse at night.

- Children with these symptoms should see a doctor.
- If your doctor diagnoses whooping cough in your school-aged child, please let the school know and keep your child at home until they have taken 5 days of antibiotics. Keep coughing children away from babies.
- Whooping cough vaccines give good protection against infection but immunity fades with time. Check that all your children are up to date with their vaccines, due at 6 weeks, 4 months, 6 months, 4 years and 12 years of age (offered to all Year 7 students through the NSW school-based vaccination program). A booster is also recommended at 18 months of age.

A booster dose of vaccine is also recommended for adults that are in contact with young children, such as school staff and parents. Pregnant women are recommended to have a booster dose during each pregnancy and this is funded by NSW Health. Those who are new parents or carers of babies should consult their general practitioner about appropriate immunisation.

Your local public health unit can provide advice about whooping cough on 1300 066 055 or visit the NSW Health website for information for childcare and schools about whooping cough.

Good Guys are Great Guys

We have registered Glenorie Public School in the ‘Support Your School’ fundraising promotion at Nash Patel -The Good Guys, Castle Hill. Every time you go to the good guys and mention that you are with the ‘Support Your School’ program for Glenorie Public School, they will give you a $1 voucher for every $50 you spend ($200 worth of vouchers in 2015, we purchased raffle items for the Year 6 Fundraiser). These can be handed in at school and collected to purchase items for the 2016 Year 6 Fund.

School Leadership

At Glenorie our students have many opportunities to develop their leadership skill by contributing within the school in many different areas.

The SRC, Green Team, Library Prefects and two Vice House Captains will be presented their badges at tomorrow’s assembly at 2.40pm. Congratulations to the new House Captains:-

Asquith Girls High School Visit

There will be a school Information session for parents interested in sending their daughter/s to Asquith Girls High School in our school hall on Monday 22nd February after the morning assembly. Year 5 & 6 girls and parents are welcome to come and listen to what Asquith Girls High School is offering in Year 7 in 2017/18. The Year 5/6 Open Night is Tuesday 1 March 2016 starting at 5:00pm with a sausage sizzle, followed by an information session and a tour of the school at 6:00pm. Enrichment test day will be held on Saturday 5th March, 8:30am -12:00pm.

Have a great year!
Become involved in your child’s education.

Enjoy learning!

P & C News

P & C Expression of Interest to Volunteer Note
Last night at the Meet the Teacher Information Session – your child’s classroom teacher would have given you a note outlining the role and purpose of the P & C. Clearly we are here to help the students and families of the School. We are looking for people to come forward and help within the areas of the P & C to make our school the best it can be for 2016. It’s amazing how an hour or two of your time can help relieve the pressure of the existing volunteers and make running of all areas of the P & C easier for those already involved. So please seriously consider if you can help and complete the form and return it to your child’s classroom teacher by the due date.
If you did not receive a note but would like to help please contact the office. If we do not have enough volunteers, services like the Canteen will have to reduce its service to the students.

Commonwealth Bank School Banking Program
With today’s newsletter the 2016 School Banking Program – Information for Parents Envelope – was sent home with the eldest child of each family. Inside you will find information on the 2016 banking program and the benefits this has for your children, details of the 2016 reward program prizes for students, details of the 2016 Competition and other promotional information.
Tomorrow, 5th February, the Commonwealth Bank will come and talk to the children about the program at the school Assembly. On Monday 8th February between 3pm and 4pm the Commonwealth Bank will be visiting the school again to assist parents that would like to open a bank account – all you need is your driver’s licence. Any child (including Kindy students that complete the forms at the orientation) opening an account will receive their bank book by Friday 12th February via their classroom teacher, ready to start banking.
Tuesday 16th February will be our first school banking day from 9am to 9:30am at the School Office window. Again the Commonwealth Bank Representative will be there to answer any parents’ questions or to open accounts. Banking will continue each Tuesday morning during school terms unless advertised differently.

Meet the Teachers Disco
A big thank you to all the Parents and Caregivers of Glenorie Public School for supporting our first fundraising event for 2016. From the dancing and noise level it looked like the children enjoyed the night. A massive thank you to all the parents, high school students and teachers that gave their time to help on the night and make it a success.

P & C Annual General Meeting
On Tuesday 23rd of February 2016 at 7pm in the school library we will be conducting our AGM for the year ended 31/12/15. All parents are welcome to attend and take part in our P & C that benefit all the students of Glenorie Public School.

Positions Becoming Vacant At AGM
Uniform Shop Coordinator
Debbie Tschepen has done a marvellous job making the uniform shop run efficiently over the last few years and keeping the cost of purchasing school uniforms for our children at an affordable level. Over the last year she has even implemented a computerised system to run our Uniform Shop on an IPad, issuing electronic invoices to parents and maintaining stock levels. There are a wonderful group of ladies that also help assisting her with services and other uniform shop duties.
With her daughter finishing primary school at the end of this year she is looking to hand over and train someone to be the new uniform shop coordinator. If you are interested in taking on this job please have a chat to Debbie or Dennise Williams for more information or you can email your questions to glenorielpandc@gmail.com

Vice President
Ross Hann and her family have moved away from Glenorie so this makes this position vacate also.
The Vice Presidents roll is to assist the executive committee – there are no official duties other than being willing to help when needed and attending meetings once a month

Uniform Shop
The Uniform Shop will be open every Monday between 9-10am and every Thursday between 3-4pm.
The Canteen will be open for full service on Friday 5th February

Parents and Citizens’ Association
Dear parents and caregivers,

This year our students will again be using textbooks and school magazines to support their learning and for homework. Class teachers worked together to identify the most appropriate texts for each class (stage) each year. The following is a list of the texts that your child will use in 2016. Texts will be used from early Term One. It would be greatly appreciated if you purchase your child’s textbook package by Week 2 Term 1, or payment can be made any time this term.

The P&C and school have worked together to identify a fair and reasonable voluntary contribution fee to request from families on an annual basis. Each year the Department of Education and Communities provides schools with a budget for general operations. Additional fundraising and the collection of Voluntary School Contributions allow schools to purchase items to further support the educational needs of students, such as your child having their own notebook at school.

Our school’s global budget is used to purchase and maintain most items that you see within our school (excluding permanent staff members’ salaries). We are responsible for purchasing books, pencils, games, computer software, toilet paper, … virtually everything. The additional funds collected will allow us to purchase more equipment, books, maths games, computers, … for YOUR child.

Many local schools charge high amounts for school contributions. Our goal is to keep the amount affordable to ensure all families can contribute.

Please complete the slip below and return it to your child’s classroom teacher with correct money or cheque (made out to Glenorie Public School) by Friday 5th February 2016. Partial payment will not be accepted.

Thank you for supporting your child’s classroom teacher by ensuring that you pay for above items as soon as possible.

Students will be issued with their textbooks as their payment is processed. So it is important to make this payment on or before the due day.

Any families experiencing financial difficulties and are unable to purchase our textbook package should contact Mrs Pearce.

Please note, if classes are changed (due to a restructure) all children will continue to use the same textbook title ~ you will not be requested to buy another textbook in the event of your child changing class.

Enjoy Learning!

# Parking and traffic rules in school zones

You need to take extra care when driving and parking in school zones. Make sure that you and your child understand the road rules. If you break the traffic rules in a school zone you are putting not only your child but other children at risk. The parking and traffic rules around our schools are there to protect your children. If you break the rules you will be fined. **Please choose safety over convenience.**
